EXPLANATORY NOTES

Section 1 - Pupil Details

- Pupil's name - the names by which the child is legally known.
- Gender - many names are unisex and we need to be able to record male or female on our database.

Section 2 - Address where child usually lives

Please give the home address for the child. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer such as a grandparent. Where this is the case, the application may be processed on the basis of this address.

Arrangements where parents can reasonably leave and collect children from another relative or carer on a daily will be regarded as normal childcare arrangements and the child will not be deemed to be 'ordinarily resident' with that person.

Section 3 - Other Details

- Special Educational Needs - please tell us if your child has a statement of special educational needs.
