A GIBRALTAR COLLEGE NEWSLETTER WRITTEN BY STUDENTS

HAPPY NEW YEAR & DECADE!

Many of you are still recovering from the shock of a New Year, (and decade), dawning upon us, and others will have already sat through a three-hour GCSE English exam... Quite a strong start to the year, with plenty of excitement and important exam preparations upon us! Wishing all college staff and students a Happy New Year, and positive energy and motivation on the road towards eventual exam success.

THE TRAVEL AND TOURISM STUDENT'S EPIC LONDON TRIP – WHAT AN EXPERIENCE!!! BY SOPHIE AONSO

As part of our AS Travel and tourism course, we were required to plan and attend a five-day educational trip to a short haul destination. Due to the popularity of our course, the teachers were required to split the trips into two separate weeks. We then had the opportunity to choose a destination... London was the unanimous choice!

1. The amazing Miss Casciaro, Ms Soiza and Mr Cumbo skilfully observed week
2. The hit list of attractions to visit and learn from were selected by us, the students. We narrowed them down to the most overwhelmingly popular choices. This was a truly democratic process and team effort!

We had the pleasure of visiting a plethora of impressive places such as The Sea Life Aquarium, The London Eye, The London Dungeons, Madam Tussauds, Winter Wonderland, The Westfield Shopping Centre, The Houses of Parliament and The Winter Market. The schedule was relentless!

This trip of a lifetime has enabled us to create new friendships and to improve upon our teamwork skills. These are valuable skills and experiences that we will be using later on in life, such as in Universities and ultimately within a competitive working environment. I highly recommend this trip to all members of the Gibraltar College, as it is a rewarding experience, and one that will not be forgotten.
