ABORTION: PRO-LIFE OR PRO-CHOICE? BY HAFSA BOUKHARKI

As many of you may know or have heard, there is a big debate on pro-life and pro-choice arguments here in Gibraltar regarding Abortion laws. Many are trying to convince the government to legalise abortion. However, the abortion debate is an ongoing controversy. The 'Pro-life' group emphasises the right of the foetus to be born. On the other hand, "Pro-choice" emphasises the right of the woman to decide whether to carry the foetus to full term or terminate the pregnancy early on. Have you decided whether you are pro-choice or pro-life yet?

THE BIG ISSUE: PARKING

BY MATTHEW CORNELIO & GRACE JACKSON

TRAFFIC FREE TUESDAY: 27TH NOVEMBER 2018

The College has recently decided to take part in traffic-free Tuesdays. We are very proud to support the initiative and want to congratulate Miss Bosano for the idea and encourage you to take part in this to help the environment and save time on finding a parking space!

Many students have complained about the limited parking spaces near the College and some are arriving late to lessons because of this. To combat this, why not walk to school or catch the school bus instead? If you must drive though, here are some ideas of nearby motorcycle parking spaces: Grand Parade, Gibraltar Car Parks Limited, Kings Yard Lane, Town Range or the motorbike bays near the Governor's house.

LA ZARZUELA

BY MR.MONTOVIO'S SPANISH A2 CLASS

El Instituto de Gibraltar y las dos escuelas secundarias fueron invitados a ver una presentación de 'La Zarzuela' a cargo del Teatro Lírico Andaluz. La Zarzuela empezó en el año 1657 y ha sido una gran influencia en la cultura Española. Cuando empezó no era muy conocida. La fama llegó más tarde en el año 1839. La zarzuela es una forma de teatro musical que contiene múltiples canciones y cada canción tiene un significado diferente y una historia diferente. La zarzuela es un género similar a la ópera italiana y llega al público en general por que es más fácil de entender. Es una manera muy popular de expresar los sentimientos populares, ideas sociales y problemas políticos. Aunque no es un tipo de música que nos gusta, podemos apreciar la historia que lleva el musical.

“QUOTE OF THE MONTH”:

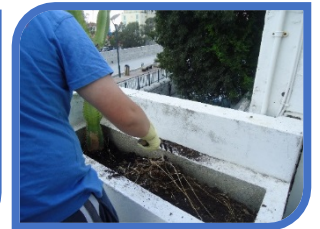

“The journey of a thousand miles begins with one step, so strive for progress and not perfection.”

We all strive for perfection in order to fit in with society but what we do not realise is that in doing so, we leave behind everything that makes us unique. Believe in yourself and do what makes you happy, take that step and pursue your ambitions no matter how out of reach it may seem. The sky is the limit!
