7th January 2021

Dear Parents/Guardians,

We would like to take this opportunity to firstly wish you all a healthy and happy New Year.

As you may be aware, unfortunately the College will remain closed for the time being until it is safe to reopen due to current Covid-19 restrictions. However, we are pleased to inform all parents/guardians that our online learning platform (Edmodo) will be ready for our students to continue their studies and engage with their chosen subjects through high-quality curriculum resources as from **Monday 11th January 2021**. We are all looking forward to interact and engage with your son/daughter once again and look forward to welcoming them back to our establishment in the near future.

Students will be expected to log on each morning and engage with the lesson activity. Work submitted will be marked and feedback provided to support student's learning in a timely manner (similar to traditional delivery). In order to help students manage their time effectively, teachers will also be available to answer queries during their timetabled sessions.

Please note that posting of lessons will take place during the following timeslots as per student timetable:

- Period 1 or 2 - 09:00
- Period 3 or 4 - 11:05
- Period 5 or 6 - 13:45

Students were given class codes at the beginning of the year, so if they experience any problems logging in or have forgotten their codes, they can in first instance email their subject teachers or gc.enquiries@schools.edu.gi / Vanessa.saccone@schools.edu.gi

We are also pleased to inform that the school counsellors have reopened their 'Place To Talk' Instagram and Facebook pages - students can 'chat' to them via these platforms or alternatively contact them via schoolcounsellors@education.gov.gi should they wish to do so.

During these uncertain times we will strive to keep you all updated with changes in exams, events, classes and other things affecting the Gibraltar College. Please ensure you check our College website <http://www5.gibraltarcollege.org/covid> for all the latest updates.

Please do not hesitate to get in contact with the school should you require any further clarification and wholeheartedly hope you and your loved ones are keeping safe and well.

Yours sincerely,

Principal
