What is special consideration?

“Special consideration is a post-examination adjustment to a candidate’s mark or grade to reflect temporary illness, temporary injury or some other event outside of the candidate’s control at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate’s ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can only seek to go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in examinations. It cannot remove the difficulty faced by the candidate. There will be situations where candidates should not be entered for an examination. Only minor adjustments can be made to the mark awarded because to do more than this would jeopardize the standard of the examination.”

This document is further referred to in this policy as [SC](#)

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Gibraltar College agrees to *“submit any applications for special consideration where candidates meet the published criteria.”*

[JCQ General regulations for approved centres Chapter 5]

Eligibility for special consideration

Roles and responsibilities

Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication [SC](#)
- Ensures that, where relevant and in eligible situations, applications for special consideration are submitted to awarding bodies by the exams officer

Exams officer

- Understands the criteria as detailed in [SC](#) to determine where candidates will/will not be eligible for special consideration
- Ensures that, where relevant and in eligible situations, applications for special consideration are submitted to awarding bodies

Teaching staff and/or SENCO

- Provide any appropriate evidence or information that may be required to determine a candidate’s eligibility for special consideration.

Candidates (or parents/guardians)-

- Provide any medical or other evidence that may be required to determine eligibility for special consideration

Applying for special consideration

Where eligible, special consideration is applied for in a specific exam series where candidates “*have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.*” [SC 2]

Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:

- the candidate will be kept comfortable and under supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions
- a judgement will be made on how the candidate’s situation or disposition affected performance in the exam
- where appropriate and where eligible, special consideration is applied for

Where candidates may be affected by a major disturbance in the exam room (emergency evacuation etc.), special consideration is applied for on behalf of all candidates.

Where a candidate takes three or more timetabled exams on the same day and the total duration of all papers is more than 5 hours 30 minutes (GCSE) or more than 6 hours (GCE) including *any approved extra time but not any time taken for supervised rest breaks* special consideration for an allowance on last paper taken is applied for.

Where a candidate may be affected by a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.

If a candidate is absent for acceptable reasons, and the centre can verify this, special consideration is applied for if the exam missed is in the terminal series and the *minimum requirements for enhanced grading in cases of acceptable absence* can be met. If there is an opportunity to re-enter the candidate in the next available exam series, the centre will make the entry and special consideration is not applied for.

Where other issues or problems affect a candidate or a group of candidates, special consideration is explored in [SC 5](#) and applied for where eligible. This might include, for example:

- **other certification**
- **a short extension to coursework/non-examination assessment deadlines**
- **submitting a reduced quantity of /coursework/non-examination assessment (shortfall in work)**
- **candidates taking an incorrect or defective question paper**
- **candidates undertaking the wrong controlled assessment or non-examination assessment assignment**

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre follows [SC 7](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
